

# Northlander

Conditions in Northwest Faerûn are quite harsh. Cold winters. Long winter nights. It interferes with both personality and life conditions. Food is sparse and feuds over farm land are frequent. This has hardened the humans. While they're intelligent, strong enduring and agile, they care less about scholarly wisdom or what people think about them. At the end of the day skills in combat, fishing, & farming, as well as pleasing the gods is what really matters.
